60x120cm / Glossy

The 3D collection restores the original beauty of a noble stone, with a new appearance given thanks to a careful design that offers a faithful reproduction of the surface, the nuances and the material aspect. A versatile range of formats and finishes, together with excellent technical performance, are the signature features of a supremely beautiful, functional ceramic product.

600x1200mm
Glossy Surface

Surface for ultimate design project.

An accurate selection of fine marbles that replicates to meet the aesthetic and practical needs of every interior design project: the Tiles of classical tradition have always been the protagonists of architecture in warm and cool tones, Italian marbles recognized all over the world for their purity, original colors reinterpreted and proposed in a new perspective.

Glossy-effect Stoneware designed to be used on any surface: floors, walls, and architectural volumes. The 60x120cm formats with a 9 mm thickness are perfect for seamlessly cladding walls, reducing the interruptions and horizontal joints, ensuring an aesthetic continuity between the floor and the wall.

ADVANTAGE & FEATURES

Nature, technology, science and design. Top quality ceramic surfaces are compact and impermeable, because they're made from pure minerals pressed and sintered at more than 1200°C. The best choice, for durability, safety, hygiene and beauty.

Versatile Size

Available in the grand size, the collection presents you with a perfect tiling solution to create seamless interiors.

Safe & Secure

Non-porous, hygienic, stain and scratch protected, the tiles from this collection are also ice and thermal shock-resistant.

Design Varieties

Available across a spectrum of patterns, the collection offers variety for all kinds of spaces and preferences.

More Sustainable

The collection is made from exceptionally durable and recyclable material, giving it an edge with its ecological and ecofriendliness.
